

# LED Financing Options

Financing LED upgrades - in-store and on the canopy - creates a dramatic difference in the appearance of your site. Customers see the difference from the street - benefiting from enhanced perceived security and a more attractive fueling environment. You benefit from utility savings and a quick and strong return on investment.

## Patriot's LED financing can:

- Provide 100% Financing (including installation, service, freight, etc.)
- Offer lower borrowing costs, when compared to alternate financing options
- Be combined with pump, POS, or other upgrades or brand initiatives.
- Be structured to work within industrial revenue bond limits
- Be used to overcome budget limitations. Only first and last months payments required.
- One page application and 48 hour approvals
- Result in improved cash flow
